Dear Mr. Cross:

I have yours of January 6th referring to the amount of your passage money to England.

The President has authorized this, and your instructions as to its deposit with the Union Trust Company and the disposition of your half pay, will be attended to.

I am sorry that our long association in business has come to an end, and trust that your well-earned leisure may be of long duration and as enjoyable as you can wish it to be.

I shall be glad to hear from you now and then, and hope you wont forget

Sincerely yours,
